Dear Mr. Brown:

Pursuant to the letter dated September 26, 2007 from the DLGF, and the e-mail of December 4, 2007 from Robert Norris of the DLGF, Vanderburgh County submits the following information pertaining to Vanderburgh County's property tax management and CAMA software contractual obligations.

Vanderburgh County has a COBOL based property tax billing system, utilized both by the County Auditor and County Treasurer. That system is maintained in-house by our computer services department, which is under contract with Vanderburgh County through MRC (Mark Rolley Consulting). The Vanderburgh County Auditor's office is in compliance with all DLGF requests, and all data comes from this COBOL system. Hopefully this system will be certified as an acceptable property tax management system. Vanderburgh County's GIS system is also maintained in-house through MRC, with Vanderburgh County's annual fee being 50 percent of the annual City GIS budget expenditures.

The following documents are being sent as electronic attachments:

1. The Manatron ProVal contract amendment (11/08/2005). Vanderburgh County has fulfilled all of the contractual payments in this agreement. This is an on-going contract that will continue unless either party gives 90 days written notice. ✓
2. Appraisal Research trending services contract (6/21/2005). Thirteen equal payments in the amount of \$9,838.46 were made in 2005 and 2006 for a total payment of the contractual amount of \$127,900. ✓
3. A&S Associates trending contract (5/1/2007). \$90,000 (five payments of \$18,000 each) of the contractual obligation has been paid. \$18,000 is still owed upon completion of scope of work as outlined in the contract. ✓
4. GIS agreement between Water & Sewer Utility Board and the Vanderburgh County Board of Commissioners (9/18/2000). 2004 services paid in 2005: \$177,489; 2005 services paid in 2006: \$228,310.55; 2006 services paid in 2007: \$227,433.46; 2007 services will be paid in 2008. ✓

At the present time I am not aware of any planned future expenditures pertaining to base purchases, upgrades, customizations, special services or reporting.

Sincerely,

A handwritten signature in black ink, appearing to read "William J. Fluty, Jr.", written in a cursive style.

William J. Fluty, Jr.
